CBL's Resale Broadband Offer – ECS 11/2010 Section 5.1.3

For the purposes of s.116 of the Communications Act, 2009, URCA conducted a completeness check of CBL's Broadband Resale Offer (BRO) pursuant to Section 5.1.2 of URCA's SMP Final Decision (ECS11/2010) issued on 22 April 2010. Based on this review URCA is satisfied that the Offer is complete and CBL has complied with this particular Obligation as per the 22 April Final SMP Decision.

URCA's confirmation of compliance with this SMP obligation does not, in any way, constitute approval either in whole or in part of the proposed terms and conditions or the level of charging for the service. Neither is URCA confirming that the proposed terms and conditions are appropriate and fit for purpose or that the pricing is reasonable and consistent with the competition provisions of the Communications Act. URCA has not approved the terms and conditions or pricing of the Offer in order to encourage commercial negotiations between CBL and potential wholesale customers.

CBL must comply with all remaining SMP Obligations before URCA can certify CBL as compliant to “engage in the provision of any networks or carriage service which it [was] not already licensed to provide when [the] Act came into force” on September 1, 2009.

Persons wishing to confirm the regulatory status of the Offer or to make a formal complaint pursuant to the Offer may contact the Director of Policy and Regulation, URCA either:

- (a) by hand to URCA's office at UBS Annex Building, East Bay Street, Nassau; or
- (b) by mail to P.O. Box N-4860; or
