

REQUEST FOR PROPOSALS
FOR
RECORDS AND INFORMATION MANAGEMENT CONSULTING SERVICES

The Utilities Regulation and Competition Authority (URCA) wishes to contract with a records and information management expert who will work with URCA's management and staff over a period of time to determine how URCA should best manage its records and information systems for the present and the future.

The Request for Proposals (RFP), which defines the proposed scope of the consultancy, can be downloaded by clicking on the PDF document below. Proposals should be submitted to the address below by 5:00 p.m. on April 30, 2014.

URCA wishes to thank all respondents, but only those suitably qualified will be contacted.
