

URCA UPDATE

URCA today published two (2) NEW Licence Application Forms:

1. Licence Application Form - ECS 2/2011
2. Licence Application Form for Amateur Radio Services - ECS 3/2011

Licence Application Form - ECS 2/2011 must be completed by all persons seeking to establish, maintain and operate a network or provide a carriage service in The Bahamas, including by use of any radio spectrum. Licence Application Form - ECS 2/2011 hereby replaces URCA's initial Licence Application Form - ECS F2/09.

Licence Application Form - ECS 3/2011 must be completed by all persons seeking to operate an Amateur Radio Service (i.e. reciprocal or local) in The Bahamas. Such persons need **NOT** complete Licence Application Form - ECS 2/2011.

For additional guidance on URCA's licencing criteria, please see the Licencing Guidelines Document – ECS 15/2009 found on the website under the tab Licencing "Guidelines".

The Application forms can be downloaded under the tab Licencing "Application Forms".
