Director of Policy & Regulation,  
Utilities Regulation and Competition Authority,  
UBS Annex Building,  
East Bay Street,  
Nassau, Bahamas.

Dear Mrs. Smith,

## **Re: URCA's Consultation Document re the draft Code of Practice for the Regulation of Content Services and Audiovisual Media Services**

We write to advise that, although we submitted a separate response regarding the February 3, 2010 Process for Developing Codes of Practice Consultation, for the above referenced consultation we collaborated with The Bahamas Christian Council (BCC). Accordingly, we fully adopt the BCC's submitted response. We would very much appreciate it if you would let the record reflect this.

As usual, please be assured of our prayers for you and your team.

Yours truly,

**The Bahamas Coalition of Evangelical Pastors**
