Mr. Randy Dorsett
Utilities Regulation & Competition Authority
UBS Annex Bldg.
East Bay Street
P.O. Box N-4860
Nassau, Bahamas

Dear Chairman:

I note from the statements I receive from Cable Bahamas frequency of items called "Prior Month Adjustments" or "Late Charges."

While the individual sums are not material, I am of the view that they are not warranted.

I would wish to encourage your Agency to take steps to satisfy yourself that the company's practices in this area are appropriate.

Kindest regards.

Yours very truly,

Franklyn R. Wilson, CMG
