

Notice #2 on Request for Clarification to URCA's Request for Proposals regarding Competition Guidelines in the Electronic and Energy Sector (URCA 02/2023)

On 14th April 2023, the Utilities Regulation and Competition Authority (“URCA”) received a request for clarification in relation to its Request for Proposal (“RFP”) tender exercise regarding Consultancy Services to the Competition Guidelines in the Electronic Communications and Energy Sector (URCA 02/2023).

URCA provides below a summary of the questions received and URCA’s response in relation thereto for the benefit of all bidders:

No.	Question and/or Comment	URCA’s Response
1.	URCA was asked to clarify whether in regard to Form D ‘Consultant Information Form’ question 8, whether this required bidders to submit notarised only versions of the documents or notarised and apostilled documents.	Bidders that are submitting documents originating in The Bahamas are only required to submit documents that are authenticated by notarisation only. Bidders that are submitting documents from a country which is a party to the Hague Convention on Apostille should submit documents that are authenticated by notarisation and Apostille. Bidders submitting documents from all other countries should submit documents that are notarised and authenticated by Legalisation.

DATED the 14th day of April A.D., 2023

Utilities Regulation and Competition Authority
