5 ROLE AND DUTIES OF URCA

- 24) The Licensee shall be subject to the regulatory supervision of URCA. URCA shall perform its functions and carry out its duties pursuant to the URCA Act, the Act and any other relevant laws, this Licence and have regard to relevant Government policy.
- 25) In carrying out its functions URCA shall act proportionately and non-discriminatorily balancing the interests of consumers with those of the Licensee.

ANNEX TO NGS 06/2025 – DRAFT LNG IMPORT LICENCE (CARRIER ONLY)

6 NATURE AND SCOPE OF THE LICENCE

26) This Licence authorises and gives the Licensee the right to conduct the authorised business LNG in The Bahamas, subject to the Licence Conditions, the Act, regulatory measures issued by URCA from time to time and any other relevant law for the time being in force.

7 DURATION AND RENEWAL OF LICENCE

27) Subject to the provisions herein contained, the duration of this Licence shall be for a period not exceeding fifteen (15) years from the Commencement Date.

28) The Licensee may, no later than two (2) years prior to the expiry of the Licence, apply to URCA, in writing, for a renewal of the Licence. URCA's decision on the renewal application will be notified to the Licensee, in writing, no later than one and a half years prior to the expiry of the Licence. Where approved, the renewal shall be on such terms and conditions as URCA deems fit.

29) This licence shall be renewed by URCA in accordance with the procedure prescribed under Section 33 of the Act.

30) Any request for the termination of this Licence by the Licensee is subject to the approval of URCA, whose approval shall not be unreasonably delayed or withheld beyond a ninety (90) calendar day period. The Licensee shall continue to be bound by the terms of this Licence until such time as URCA notifies the Licensee in writing of such approval. The Licensee shall not be released from any obligation arising under the Licence prior to such date.

8 CHANGE IN CONTROL

31) The Licensee shall obtain URCA's written approval of any change in control of the Named Licensee or any notified licensee prior to the change in control occurring whether such change is affected directly or indirectly through its immediate, intermediate or ultimate holding company(ies).

32) Without limiting URCA's ability and duty to apply the merger control provisions in Part VI the Act, URCA may object to a change in control if in URCA's view the acquirer would not meet any of the criteria referred to in, or set by URCA pursuant to, Section 24 of the Act.

9 ASSIGNMENT OR TRANSFER OF LICENCE

33) The Licensee shall not, without the prior written approval of URCA, transfer, sub-license, assign or grant any right, interest or entitlement in the Licence to any person or transfer or dispose of any of its assets that are necessary to provide the Authorised Business that the Licensee is obliged to provide under this Licence save in the ordinary course of replacement of such assets necessary to provide the Authorised Business. Such approval shall not be unreasonably withheld.

ANNEX TO NGS 06/2025 – DRAFT LNG IMPORT LICENCE (CARRIER ONLY)

- 34) URCA shall approve an application for the assignment or transfer of the Licence where URCA is satisfied that the proposed assignee or transferee satisfies the criteria set out under the Act and any other criteria established by URCA.
- 35) Should the Licensee wish to assign or transfer the Licence, it shall request, in writing, the approval of URCA and URCA shall reply in writing within sixty (60) calendar days of the receipt of such request informing of its decision on the application.
- 36) URCA shall publish its decision regarding a request to assign or transfer the Licence and its decision on its website.
- 37) Where URCA refuses to give its approval it shall give reasons in writing for such refusal to the Licensee.
- 38) The Licensee may apply to URCA within seven (7) calendar days of the notification of refusal by URCA in accordance with paragraph 37) for a reconsideration of its decision not to approve the assignment or transfer its Licence and may appeal any decision made by URCA to the UAT following any such reconsideration by URCA.
- 39) Any purported transfer of this Licence without the approval in writing of URCA shall be void.

10 AMENDMENT, MODIFICATION AND REVOCATION OF LICENCE

- 40) URCA may amend, modify or revoke this Licence in accordance with the procedures set out in Section 40 of the Act.

11 COMMUNICATIONS AND NOTICES

- 41) Notices, orders and other documents under this Licence may be in writing or in print or in electronic format (permitting confirmation of receipt) and shall, if served on:
 - a) URCA be addressed to:
the Chief Executive Officer; and
 - b) the Licensee, be addressed to:
the Chief Executive Officer/Managing Director.
- 42) Any notice, order or document required or authorised to be served upon a body or person under this Licence may be served by the same being addressed to such body or person and being left at or transmitted by electronic mail or facsimile or by registered post to the address of such body or to the usual or last known place of abode of such person. Where served by post it shall be deemed to have been served at the time when the containing letter would be delivered in the ordinary course of post and in proving such service it shall be sufficient to prove that such letter was properly addressed, registered and put into the post. Where served by electronic mail or facsimile it shall be deemed to have been served when the electronic mail or facsimile shall have been transmitted by the sender.

ANNEX TO NGS 06/2025 – DRAFT LNG IMPORT LICENCE (CARRIER ONLY)

ANNEX TO NGS 06/2025 – DRAFT LNG IMPORT LICENCE (CARRIER ONLY)

- 43) Notwithstanding the above, the Licensee shall designate a person that will act as a primary contact with URCA on matters related to this Licence and shall notify URCA promptly should the contact details change.
- 44) URCA may designate the Director of Utilities and Energy as the primary contact on matters related to this Licence.
- 45) Notwithstanding Paragraphs 41) through 43), publication on URCA’s website of any communication shall be deemed sufficient notice to the Licensee.

PART B - GENERAL OBLIGATIONS

12 OBLIGATIONS TO COMPLY WITH LAWS, REGULATIONS AND LICENCE CONDITIONS

- 46) The Licensee shall comply with the Act and any other Act of the Commonwealth of The Bahamas that has application to it in the discharge of its performance under this Licence.
- 47) The Licensee shall comply with regulatory and other measures including any directive, order, rule, decision or approval issued, made or granted by URCA in accordance with its duties and functions under the Act or this Licence and any other relevant regulations, codes of practice as URCA may issue from time to time.

13 BREACH OF OBLIGATION TO COMPLY WITH LAWS, REGULATIONS AND LICENCE CONDITIONS

- 48) Where URCA has reason to believe that the Licensee has failed to comply with any relevant law, regulation or condition of this licence, URCA may exercise all such powers and duties as are afforded to or required of it under the Act or any other relevant law and may take all such action as is permitted to it thereunder against either the Licensee or its Subsidiary Undertaking.
- 49) The Licensee shall be liable for all the acts and omissions of each of its Subsidiary Undertakings in respect of its obligations under this Licence.
- 50) Without prejudice to the Licensee’s other obligations under this Licence, where its Subsidiary Undertaking has done something which would if done by the Licensee:
- a) be prohibited or not authorised by any relevant law, regulation and condition of this Licence; or
 - b) require the Licensee to take or refrain from taking a particular action under any relevant law, regulation and condition of this Licence and that no Licensee, including the Subsidiary Undertaking, has met that further requirement,

ANNEX TO NGS 06/2025 – DRAFT LNG IMPORT LICENCE (CARRIER ONLY)

ANNEX TO NGS 06/2025 – DRAFT LNG IMPORT LICENCE (CARRIER ONLY)

then, where URCA is not satisfied that the Licensee has taken all reasonable steps to prevent its Subsidiary Undertaking from acting in that manner, URCA may direct the Licensee to take such steps as URCA deems appropriate for the purpose of remedying the matter, including restraining the defaulting Subsidiary Undertaking from carrying on with such activities connected with the Authorised Business as URCA may determine.

14 INTERNATIONAL OBLIGATIONS

51) The Licensee shall exercise its rights and powers and perform its duties and obligations under this Licence in a manner which is consistent with the Government's international obligations:

- a) by virtue of the Government being a member of an international organisation or a party to an international agreement; or:
- b) to attain or facilitate the attainment of that which is requisite and expedient in view of the Government being a member of such an organisation or a party to such an agreement,

to the extent that the Licensee has notice of such membership or agreement pursuant to Paragraph 52).

52) URCA shall notify the Licensee from time to time of any membership or agreement to Paragraph 51) applies.

15 COMPOSITION OF THE BOARD OF DIRECTORS

53) The Licensee shall procure that at all times its directors or their close relations shall not be employed by nor hold any office or engagement with any person (other than the Licensee) authorised by a gas licence or exempted from the obligation to hold a gas licence to engage in gas import.

54) URCA may, on such terms as it may specify in writing and notified to the Licensee, waive or vary any of the requirements of this Condition for such period, as URCA may determine.

16 PROHIBITION ON ACQUISITION OF SHARES

55) The Licensee shall not directly or indirectly through its Subsidiaries or Related Enterprises acquire or hold any shares in any person (other than the Licensee) authorised by a gas licence or exempted from the obligation to hold a gas licence to engage in gas import.

56) URCA may, on such terms as it may specify in writing and notified to the Licensee, waive or vary any of the requirements of this Condition for such period, as URCA may determine.

17 OBLIGATION TO PERFORM

ANNEX TO NGS 06/2025 – DRAFT LNG IMPORT LICENCE (CARRIER ONLY)

- 57) The Licensee shall provide an adequate, safe and efficient service based on modern standards, to the Service Territory at reasonable rates so as to contribute to national economic development.
- 58) Subject to the Licence Conditions and directions of URCA, the Licensee shall ensure that the development of the gas supply system is implemented based on agreed long term planning procedures and methodologies and that investments are made consistent with such plans and in conformity with prudent utility practice so as to ensure adequacy and continuity of supply at the least economic cost while at the same time ensuring that the Licensee earns a reasonable return on its investment.
- 59) The Licensee shall provide its services on a non-discriminatory basis as practically possible in response to service requests by customers.
- 60) The Licensee shall, to the extent that it is technically feasible and economically reasonable employ modern and leading-edge technological solutions to secure optimal efficiencies in its operations.
- 61) The Licensee shall take all reasonable steps to prevent and resolve unplanned interruptions to the provision of its Authorised Business.
- 62) The Licensee shall inform URCA about measures taken to resolve unplanned interruptions as required by URCA.

- 63) A Step-in Event occurs if URCA revokes or suspends this Licence.
- 64) The following are not Step-in Events:
- a) Force Majeure; and
 - b) A Scheduled Outage.
- 65) In the case of a Step-in Event, URCA shall designate a third party to carry out the functions of the Licensee that are authorised under this Licence.
- 66) The third party may take action in court for recovery of costs and damages incurred by the failure of the Licensee to perform its obligations to the public in accordance with the terms of this Licence.
- 67) The third party shall stop carrying out the functions of the Licensee as soon as practicable after URCA advises that the Licensee has demonstrated its capability to resume its functions under this licence.

19 FORCE MAJEURE

68) The Licensee shall give notice and details of Force Majeure events to URCA as soon as reasonably practicable. URCA may issue a notice excusing the Licensee from its performance obligations during the period of Force Majeure.

69) The Licensee shall, in the event that the Licensee declares force majeure under any Transaction Agreement, notify URCA in writing of the same promptly and in any event no later than five (5) business days after such event, and provide the following information, including but not limited to the following:

- a) reason for declaring force majeure;
- b) the estimated duration of force majeure and quantity of LNG affected;
 - i) if applicable, alternative LNG Supply Source(s) of replacement LNG;
 - ii) if applicable, a plan to allocate unaffected LNG between End Users; and
 - iii) the Licensee's plans to resume normal performance of any Transaction Agreement or to alleviate or mitigate the effects of force majeure including, where applicable, measures to –
 1. cause the LNG Supplier (pursuant to an LNG SPA) or the Terminal Operator (pursuant to a TUA) to use reasonable endeavours to mitigate the effect of the force majeure event; and
 2. minimise the impact on End Users and the cost of delivering replacement LNG.

70) Following the notification under Paragraph 68), the Licensee shall, from time to time to the best of its knowledge or where required, supplement and update all information provided to URCA under Paragraph 68) until such time that normal performance under the Transaction Agreement has resumed.

20 COMPLIANCE AND RISK MANAGEMENT

71) The Licensee shall adopt and implement reasonable and prudent policies in relation to the management risks associated with its Authorised Business.

72) The Licensee shall adopt and implement reasonable and prudent policies in relation to ensure compliance with this Licence, the provisions of the Act and all regulatory and other measures issued by URCA.

73) The Licensee must have a Compliance Officer –

ANNEX TO NGS 06/2025 – DRAFT LNG IMPORT LICENCE (CARRIER ONLY)

26 CONFIDENTIAL INFORMATION

- 99) The Licensee shall take reasonable measures to ensure that confidential information received by it (including individual demand information) in relation to the Authorised Business:
- a) is kept confidential by the Licensee except as otherwise permitted by URCA, this Licence, any applicable code of practice, and that access to such confidential information is provided only, and as is necessary for the due performance of their lawful functions, to directors, officers and employees of the Licensee or to an agent of the Licensee that has agreed in writing to observe this requirement of confidentiality;
 - b) is not used by the Licensee for any purpose other than that for which it was provided or for a purpose permitted by this Licence, any applicable code of practice; and
 - c) is not used by the Licensee for any commercial advantage in the provision of any service other than a service comprised in the Authorised Business and Allowed Activities.
- 100) The Licensee shall take such other action, including complying with restrictions upon the transfer, engagement, or re-engagement of employees, as URCA may from time to time require to ensure the confidential information acquired by it in connection with the Authorised Business is, except as otherwise permitted by URCA, this Licence or any applicable code of practice, kept confidential by the Licensee and not dealt with in a manner which may restrict, distort or prevent competition in any of the industries to which it provides its services.
- 101) The Licensee shall, if requested by URCA, procure that a certificate is issued by its auditors, in such form as URCA may require, which confirms that the Licensee is complying with the requirements of this Condition.
- 102) Nothing in this Condition shall be construed as requiring the Licensee to keep confidential any information that is or becomes generally and publicly available other than as a result of a breach by the Licensee of Condition 99) or 100).

27 ENGAGING IN OTHER BUSINESS

- 103) The Licensee may engage in other business activities and shall keep separate accounts for its different activities. The Licensee's profits and losses from such other business activities shall not be considered for the purpose of setting tariffs.
- 104) At URCA's approval, the Licensee may allow third parties to have access to and use its facilities on an arm's length basis where such access and use allow the Licensee to operate more efficiently.

ANNEX TO NGS 06/2025 – DRAFT LNG IMPORT LICENCE (CARRIER ONLY)

105) The leasing or use of the Licensee's Assets is subject to prior written approval by URCA. Such approval shall not be unreasonably withheld.

106) The Licensee may charge a third party a fee for access and use of its Facilities. Such fee shall be determined on an arm's length commercial basis determined by the value of the access or use.

28 RELATED PARTY TRANSACTIONS

107) In the case of a Related Party, transactions shall be at arm's length and the Licensee shall apply the same tests for economic choice and financial probity as if the related party were an unrelated third party.

29 INFORMATION, AUDIT, INSPECTION AND ACCESS OBLIGATIONS

108) URCA may require:

- a) an inspection and/or audit of any aspect of the business of the Licensee and the Licensee shall assist or shall procure assistance to URCA as it may reasonably require;
- b) the Licensee or any of its Subsidiary Undertakings to provide URCA with such information, documents, accounts, returns, estimates, reports or other information required by URCA in the manner and at the times specified by URCA. URCA may use this information for, but not limited to, purposes of compiling statistics and publishing periodical reviews of the Electricity Sector, and as required or permitted by the Act or other laws or legal process;
- c) the Licensee to notify URCA of the details of all Subsidiary Undertakings providing a Authorised Business under this Licence; and
- d) the Licensee to permit a person authorised by URCA to carry out such inspection and/or audit;

109) The Licensee shall at the request of URCA furnish URCA, at the Licensee's expense, with copies (in such format as URCA may specify) of any book, register, record or accounts as URCA may reasonably require.

110) In relation to the Authorised Business, the Licensee shall not

- a) make, prepare, attest to or certify, orally or in writing, any representation or statement that is false, incorrect or misleading or open to misconstruction by any person; or
- b) make any representation or statement, orally or in writing, or give any answer, orally or in writing, or otherwise conduct itself in a manner that is likely to mislead any person; or
- c) mislead or confuse any person about its Authorised Business.

ANNEX TO NGS 06/2025 – DRAFT LNG IMPORT LICENCE (CARRIER ONLY)

- 111) Where URCA is satisfied that the Licensee is contravening or has contravened any provision of Paragraph 110) above, URCA may, by notice in writing to the Licensee, direct the Licensee to take such steps as are specified in such direction to correct such false, incorrect or misleading representation, statement or answer or to correct such confusion, including but not limited to requiring the Licensee to publish a correction or to write to such persons to set out the correct facts within a specified period of time as directed by URCA.
- 112) URCA may take enforcement action against the Licensee in accordance with the provisions of the Act if the Licensee fails to comply with the direction of URCA issued under Paragraph 111).
- 113) The Licensee shall promptly inform URCA of any circumstances that result, or are likely to result, in a change in the information provided by the Licensee to URCA and shall provide updated information to URCA in a timely manner.

30 APPROPRIATE RESOURCES

- 114) The Licensee shall ensure that at all times it has appropriate physical, financial and human resources and arrangements in place to enable the Licensee to comply with the Licence Conditions.
- 115) The Licensee shall, in connection with the conduct of its Authorised Business ensure that its employees are appropriately trained and qualified.

31 APPEALS TO UAT

- 116) Appeals of regulatory or other measures taken by URCA in relation to this Licence shall be made to the Utilities Appeal Tribunal as provided for in the Act and the URCA Act.

32 AUTHORISED BUSINESS AND ALLOWED ACTIVITIES

- 117) The Licensee shall conduct the Authorised Business.
- 118) The Licensee may, upon approval of URCA in writing and subject to such conditions as may be imposed by URCA at the time of approval or at any time thereafter, engage in any Allowed Activity that:
- a) the Licensee is already competent in; and
 - b) provides synergies with the activities comprised in the Authorised Business.
- 119) In making an application to URCA for approval to engage in an Allowed Activity, the Licensee shall provide an assessment of the extent to which its engagement in such activity complies with the criteria mentioned in Paragraph 118) of this Condition. The Licensee shall not change the nature or scope of such Allowed Activity or cease such Allowed Activity without URCA's prior approval in writing.

ANNEX TO NGS 06/2025 – DRAFT LNG IMPORT LICENCE (CARRIER ONLY)

120) Other than the Authorised Business and Allowed Activities, the Licensee:

- a) shall not engage directly or indirectly in any other business activities or voluntarily commit to any liability in relation to such other business activities; and:
- b) shall procure that each of its Subsidiaries and Related Enterprises do not engage, or seek to obtain from URCA a gas licence permitting it to engage, directly or indirectly in any other business activities or voluntarily commit to any liability in relation to such business activities.

121) This Condition shall not prevent the Licensee from:

- a) engaging in any business, undertaking or activity incidental to the performance of its Authorised Business, Allowed Activities or any of the businesses, undertakings or activities that were already performed by the Licensee on the date that this Licence comes into effect; or,
- b) subject to Paragraph 120), making available to its Subsidiaries the services of employees of the Licensee in order that such Subsidiaries may provide to third parties such technical services, advice and assistance in respect of the services comprised within the Authorised Business or any Allowed Activity.

122) URCA may, upon the application of the Licensee, relieve the Licensee from its obligations under Paragraphs 120) and 121) of this Condition in relation to any particular case to such extent and subject to such terms and conditions as URCA shall specify in writing.

123) The Licensee shall not sub-contract or assign the Licensee Services (other than ancillary and support services which are not directly related to the marketing of LNG and/or regasified LNG, such as external accounting, information technology, administrative and office maintenance services) or any part thereof without URCA's prior written approval.

33 NATIONAL INTEREST MATTERS

124) In accordance with Section 120 of the Act, the Government may directly or indirectly manage the affairs, business and property of the Licensee during any period in which Article 29 of the Constitution applies. In such an event, the Licensee shall allow the Government such access to or control of its property as required to permit the Government to meet its obligations under the special administration order during the period for which the order is in force.

PART C – SPECIAL PROVISIONS APPLICABLE TO THE IMPORTATION OF LIQUEFIED NATURAL GAS

34 STANDARDS OF PERFORMANCE

125) The Licensee shall ensure that any LNG brought into Bahamian waters is brought in a manner that

ANNEX TO NGS 06/2025 – DRAFT LNG IMPORT LICENCE (CARRIER ONLY)

ensures the safety of persons, property and the environment.

- 126) The Licensee shall ensure that any LNG carrier vessel entering Bahamian waters:
